### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

Claims 17-21 and 25 have been canceled by the examiner as being drawn to non-elected species of the invention (the applicant had previously elected Species 2, without traverse, and subspecies 2A and B18. Claims 1 and 22 were previously deemed by the applicant to be generic to the elected Species 2).

Previously withdrawn claims 2, 3, 8-16, 24 and 29-33 have been rejoined at allowance.

2. The following is an examiner's statement of reasons for allowance: the known prior art does not disclose the claimed projectile comprising a ballast encased in a binder, the binder comprising a resin comprising linear chains of rigid polyamide segments interspaced with flexible poly ether segments, as claimed in independent claims 1, 9, 22 and 33. The scope of the independent claims 1, 9, 22 and 33 has been interpreted in the light of the specification, the disclosed projectile comprising a lead free frangible projectile.

3. This statement is not intended to necessarily state all the reasons for allowance or all the details why the claims are allowed and has not been written to specifically or impliedly state that all the reasons for allowance are set forth (MPEP 1302.14).

4. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

5. Any inquiry concerning this communication or earlier communications from the examiner should be directed to James S. Bergin whose telephone number is 571-272-6872. The examiner can normally be reached on Monday - Wednesday and Friday, 8.30 - 5.30.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Michael Carone can be reached on 571-272-6873. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
